I am a highly skilled B.Tech student with a strong passion for software development. Proficient in Java, JavaScript, and Python, I have a track record of creating robust applications. My curiosity drives me to stay updated with emerging technologies like cloud computing. I thrive in fast-paced environments, leveraging my problem-solving and collaborative skills to excel. Currently seeking a software developer role, I am eager to contribute to innovation and propel success in the industry.

EDUCATION

B-TECH in Computer Science and Engineering
Noida Institute of Engineering and Technology-Greater Noida
05/2020 - 06/2024   *CGPA - 8.8*

12th Boards
G.N .National Public School
07/2019 - 04/2020   *77% in CBSE Boards*

PERSONAL PROJECTS

Hotel Management System
- Built a Hotel Management System using **Python and Django FrameWork.**
- This project includes a user authentication system with email and users can book suits from our application and cancel anytime.
- We also maintain a SQL Database to store all details of users and their booking.

Liver-Disease-Pridiction
- Built a Liver Diseases Prediction Web and Desktop application Using a **Machine Learning Algorithm(Random Forest Tree), Flask, and Tkinter** .
- In this project, users can check whether they have liver diseases or not by providing some detail and our project can predict with an **accuracy of 85%.**

SKILLS

Java   React   Data Structure and Algorithm

Python   SQL   DBMS   Operating System

Django   Machine Learning   OOPS Concept

MEAN Stack   Web Development   Tkinter

CERTIFICATES

Introduction to Web Development with HTML, CSS, JavaScript
Skills Learn : Web Development,Cascading Style Sheets (CSS),HTML,Git (Software),JavaScript

Object Oriented Programming in Java
Skills Learn: Logic Programming, Java Programming , Object-Oriented Programming (OOP) , Sorting Algorithm

Blockchain Basics
Skills Learn : Ethereum,Cryptography,Blockchains,Bitcoin

Certifiacte in the Programming using Java
Done by Infosys Springboard

Certification in the Programming Fundamentals using Python - Part 1

LANGUAGES

JAVA
Professional Working Proficiency

JAVASCRIPT
Limited Working Proficiency

PYTHON
Limited Working Proficiency

INTERESTS

Cricket   Gaming
